

## Feeling oh so carnivorous? For Great Montana Style Steaks

We recently had a guest ask us for recommendations for the best steak house in town. As we are not steak eaters, we put it out to all the locals. Well, I have not had this many Facebook comments since I asked for best fly fisher guide. Two things Montana folks love to tell you about are great steaks and good fly fishing guides! Plan ahead and make reservations, especially in the summer!

### **Beargrass Bistro, in Lakeside**
