ATTENTION PARENTS WITH YOUNG CHILDREN

Please be advised that we are happy provide toys for all ages. However please be advised that we cannot be responsible for safety or disinfecting them regularly.

We invite you to use your own discretion with toys available for your children. There are empty baskets on the book shelf to select a few items for your children that are safe or of interest.

Please return toys to the large black bins in the upstairs Lake Room closet prior to check out.

Respectfully, Kalli and Mystic Mountain Staff
