

Glacier National Park Vehicle Reservations

Glacier National Park Vehicle Reservations

Glacier National Park will implement a pilot vehicle reservation system in the summer of 2024. Vehicle reservations are required beginning May 24 for the west side of Going-to-the-Sun Road and North Fork and on July 1 for Many Glacier. Each location has unique details and requires a separate reservation.

What You Need

- **May 24 through September 8** vehicle reservations are required for the west side of Going-to-the-Sun Road and North Fork from **6 am to 3 pm**.
- **July 1 through September 8** vehicle reservations are required for Many Glacier from **6 am to 3 pm**.
- Visitors entering the park in a vehicle or on a motorcycle in one of these areas during these dates need two things: (1) A vehicle reservation OR service reservation and (2) Park Entrance Fee OR valid Park Pass (Annual, Senior, Military, etc.).
- The park is **open 24/7** and visitors may enter vehicle reservation areas before 6 am or after 3 pm without a vehicle reservation.

Already Booked an Activity?

Visitors with lodging, camping, or commercial activity reservations (e.g., boat tours and horseback rides) within the specified reservation areas can use proof of their reservation for entry instead of a vehicle reservation to gain access to the vehicle reservation area for which they have a service reservation.

Vehicle Reservation Release Dates

- A portion of vehicle reservations will be available 120 days or approximately four months in advance, starting on **January 25, 2024**, at 8 am MST on a daily rolling basis.
- Next Day vehicle reservations will be available at 7 pm MDT for next-day entry starting on **May 23, 2024** on a daily rolling basis.

Vehicle reservations can only be booked on Recreation.gov

Overview

A **Going-to-the-Sun Road Corridor (West) Vehicle Reservation** is required for each vehicle accessing the Going-to-the-Sun Road Corridor Vehicle Reservation Area from **May 24 through September 8, 2024**, from 6 am to 4 pm as is **good for one day. Not required for vehicles entering from the east side at St. Mary.**
