

# Grocery Stores

Updated May 2017

**Note** - Is this your first time renting a vacation home? Unlike a hotel, it is customary within the vacation home rental industry (VRBO/Home Away) for **guests to provide and supply their own** paper products (toilet paper, paper towels, tissue, paper plates), dish, laundry and bath soap the same as you would in your own home. Although it is our policy to provide you with a “starter supply” of these items, if you plan to shop on your way in prior to your arrival, you may want to consider your needs for the week.
