Located in the fabulous Flathead Valley of northwest Montana, just five miles south of the town of Kalispell, and an eight-mile drive from Flathead Lake. We are fifteen miles from [Glacier International Airport](#), and within five miles of a general aviation airport. Our horseback rides are all guided, and go through miles of private timberland on both horse trails and logging roads. Though we do offer shorter lesson rides for the novice rider (1 hour - \$40), our most popular ride, and the one providing the most fabulous scenery in the shortest amount of time, is our morning or afternoon ride (2 hours - \$55). We also offer a half-day horseback ride, which includes a snack (4 hours - \$110); and a full day trail ride, which includes a picnic lunch at a spot overlooking the Flathead Valley (8 hours - \$175). On longer trail rides, we ride through mountain forests that break out onto clear plateaus with panoramic scenery, thus providing a variety of terrain.
