

Mystic Mountain Front Yard Fire Pit

ENJOY EARLY: Days are long in the summer. No need to wait until it's dark (10pm) to enjoy being around the fire, unless you're a night owl! Dessert or glass of wine after dinner is a perfect time to gather with friends and family.

FIRE PIT SET UP AND SAFE USE: Fire wood at the top of the driveway is for your use. There is a wheel barrow or bucket to transfer logs to pit. We have also provided a gray plastic bin with fire starter materials in the corner of the garage.

**DO NOT LEAVE FIRE UNATTENDED BY ADULTS.
NOT FOR USE WITH CHILDREN.
PUT OUT FIRE WHEN YOU LEAVE THE FIRE PIT**

FIRE HAZARDS: Summers can be very hot and dry. Be very attentive of flying embers or making fire to be to safely control. It's a good idea to keep a bucket of water near by. Legal restrictions during drought and fire season may cause restrictions.

LONG SKEWERS: There are several long, handled skewers to use for hot dogs or marshmallow roasting. They are hanging in the garage next to the interior door. Please return them to the hooks after cleaning them.
