

## BAR-B-QUE GRILL

- **Grill tools** provided in lower kitchen drawer next to trash compactor.
- Turn **on/off** propane tank under grill after each use.
- Propane **tank refill** is available at Sliders Ace Hardware in Bigfork (please alert staff if both tanks are empty)
- Do not leave food on the grill unattended!!
- Be respectful of other guests and clean grill after each use as smell will attract **BEARS** and unwanted guests. (brush and spray provided under grill or in basket)
- Once grill is cooled off completely, covering it back up will also help lessen the smell and attraction of critters.

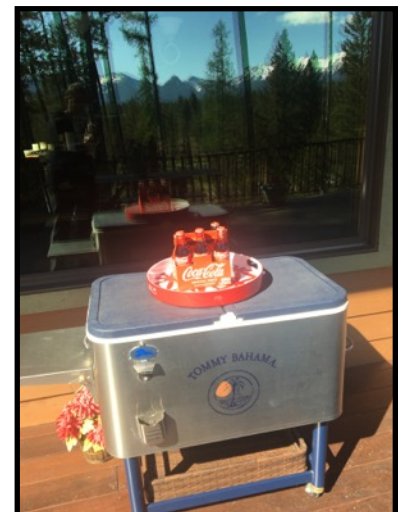

**Replace cover over top prior to check out.**

**Stay safe, think like a Montanan!**

## BEVERAGE CART / COOLER

- **Drink cooler** is provided for your convenience for closed container beverages only.
- Do not leave open container **food** in cooler so as not to attract critters especially **BEARS**.
- Pick up a large **bag or two of ice** and you'll be good to go. Great way to free up space in refrigerator and keep traffic out of the kitchen when cooking.
- **Extra storage** in basket under cooler on cart.

Please wipe down and **completely drain water** prior to check out to keep ants away.
